

Team Contract

- What do you want to get out of this team project?
- How are you going to communicate when not in person
- When and where will you meet?
- What should team members do prior to the team meeting?
- How are you going to structure your work?
- How will the assignments get submitted?
- How will you deal with surprises?
- How will you manage turn-taking?
- How will you handle conflict?
- Anything else
